

2011 Limit Divisions

(Walk-Trot over Crossrails and Limit Beginner Rider)

Blue ribbons won in divisions at a higher height also count against limit totals; for example, blue ribbons won in WTC or 2' classes must be added to WT totals. Ribbons won in warm-up classes are included in totals, and the ribbon count carries forward yearly until a rider limits out of the division with four blue ribbons.

(red print is limited out)
